DocuSign & Real Estate Webmasters Partner to Help Real Estate Professionals Close More Deals

SAN FRANCISCO—February 5, 2015—DocuSign, Inc. (DocuSign®), The Global Standard for Digital Transaction Management® (DTM), announced a partnership with Real Estate Webmasters Inc. The partnership includes a new integration that brings together DocuSign's DTM platform and industry-leading eSignature solution with Real Estate Webmasters custom-built websites and lead management systems.

The combined solution from DocuSign and Real Estate Webmasters enables real estate professionals to go fully digital for faster real estate transactions, increased security and compliance, and lower cost – all while delivering an enhanced home buying and selling experience.

QUOTES

- “DocuSign is the gold standard in the real estate industry for Digital Transaction Management and eSignature solutions,” said Morgan Carey, CEO of Real Estate Webmasters Inc. “We only work with the best and are thrilled to become an exclusive DocuSign partner. Integrating the DocuSign platform within our portfolio of innovative web marketing services provides our customers with a powerful set of options for building their real estate business.”
- “Partnering with Real Estate Webmasters further cements DocuSign’s leadership as the platform of choice for transaction management in Real Estate,” said Georg Gerstenfeld, VP and General Manager of Global Real Estate Solutions, DocuSign. “The integration between DocuSign and Real Estate Webmasters’ best-in-class web marketing services will provide agents and brokers more options on how they find, manage and close

business.”

As part of the agreement, Real Estate Webmasters will bundle DocuSign products into their web marketing services.
