

NEWS RELEASE

DocuSign Expands Global Advisory Board

2016-02-11

SAN FRANCISCO, Feb. 12, 2016 /PRNewswire/ -- DocuSign, Inc. (DocuSign®) announced the expansion of its Global Advisory Board – a consortium of more than 70 global business and technology leaders who share a common vision of empowering the world to go 100% digital to transact anything, anytime, anywhere, on any device securely. As a part of the DocuSign Advisory Board, these industry luminaries and thought leaders share business insights and feedback from their diverse backgrounds and experiences to help shape DocuSign's mission, strategy, products and services.

"DocuSign has become the verb for keeping life and business moving forward so you can get approvals, decisions and signatures fast," said Don Thompson, Former President & CEO, McDonald's Corporation.

"DocuSign has achieved escape velocity by creating a market category with a winning combination of top notch leadership, world class technology and blue chip customers," said Tom Siebel, Chairman & CEO, C3 Energy and Former Chairman & CEO, Siebel Systems.

"Digital Transformation is currently top of mind for every CEO," said Tom Friel, Former Chairman & CEO of Heidrick & Struggles and Former Chairman of Silicon Valley Community Foundation, "As the Global Standard of Digital Transaction Management, DocuSign is the first step with an undeniable customer value proposition."

"The DocuSign Global Trust Network is about providing a trusted service," said Andy Geisse, Former CEO of AT&T Business Solutions, "DocuSign allows anyone or any company to transact anything, anytime, anywhere, on any device with ease, speed and trust."

"The advisory board has proven instrumental as we have crafted our strategic chess moves," said Keith Krach,

Chairman and CEO at DocuSign. "We feel very fortunate to have such a great cross-section of expertise and experience that share our vision of establishing a built-to-last company."
